

# 10-channel handheld transmitter

Centronic EasyControl EC5410A-II

10-channel handheld transmitter for radio-controlled drives and radio receivers (individual, group and central control)

White, Item No. 4034 000 922 0

Black, Item No. 4034 000 922 1

## Highlights

- Individual, group and central control
- Groupings shown on LED display
- Labelling space
- Interference-immune radio frequency
- Large operating range

## Key Features

### Individual, group and central control

Can be used to control up to 10 individual receivers, receiver-groups or used as a central control for all receivers/receiver-groups

### Channel display

Channel assignment to receiver with LED-display

### Labelling space

Inlay card beneath transparent cover provides space to assign individual channels

Labelling templates can be downloaded from the Internet

### Wall holder

Wall holder to house transmitter when not in use

### Alternating code in transmission protocol

Protection from unauthorised copying of transmission data

High system security offers protection from unauthorised use

### State-of-the-art radio technology with interference-immune radio frequency

Large operating range

Interference-immune operation in living areas

## Technical data

Nominal voltage	3 V DC
Battery type	CR2430
Protection class	IP 20
Permissible ambient temperature	- 10 to +55 °C
Radio frequency	915,3 MHz
Colour	White / Black

## Functional principle – Example of electrical connection

## Operation
